unmatted/unframed print \$80

Fog is the photographers' friend. It simplifies compositions and lends an air of mystery.  
Contra Costa County, January 2015

## **Cafe Du Monde #534**

6.4"x13" matted in 16x20 frame \$275  
unmatted/unframed print \$80

I am always interested in the interaction between nature and the work of man. Here, condensation adorns an otherwise mundane window with a tracery of tiny jewels. New Orleans, June 2012
